"I wish every one could see and hear Bob Snelling's positive, upbeat, yet down to earth advice to job hunters like I have. As producer of the PBS weekly TV program, 'Talking About Things That Matter With People Who Care,' I have found Bob a refreshing breath of air in the midst of the negative naysayers. Real opportunities do exist in the job market and RESUMESBYROSS knows where they are, but finding a job is not only skills and resources -- it is an attitude that helps you to find, keep, and make the job. That is the extra you get with Bob Snelling," says Dennis McCuiston.
